that an honourable expenditure out of Closing balance, is best not permitted, at least minimised as far as possible.

Strictly, the Closing Balance, so called, is a non-descript item till the accounts of the year are audited. It is after all Budget. Again, when such balances are below the prescribed minimum further depletion is obviously an anomaly

This asset is submitted in favour of the proposal

GOI 19/2 — The contribution of Rs 25/ was sanctioned during the year 1940-41

2) Contribution of a similar sum of Rs 25/ is recommended this year also, the charge being debited to the closing balances. The resolution of the Travancore Durbar may be sanctioned. The amount is small & payment out of the closing balance of the Govt
